- One Year at \$395 Additional copies to the same address at \$105 each per year
- Outside North America, one year at \$420 (includes airmail delivery) Additional copies: \$145 ea.
- Two years at \$650 Outside North America, two years at \$700 (includes airmail delivery)

** Special one-year electronic subscription \$370.*

Subscriptions can start with any month or be backdated. We are pleased to send one free sample newsletter to a prospective customer for you. Back issues are also available for \$40 each.

We will attempt to satisfy all reasonable and timely subscriber claims but cannot make cash refunds. We will be happy to grant credit for remaining portions of paid-up subscriptions toward other VIP newsletters, Publications, or custom research services.

Please let us know if we can provide with any additional information helpful in boosting the sales of our newsletter. We will send you a sample set of our newsletters, if desired. The number below takes both voice and fax messages. We appreciate your support.

Agency Subscription Rates

Agency discounts will continue at 10%; therefore remit payment in US dollars via check, wire transfer, or credit card. The agency prices are \$355.50 (North America) per year and \$378 (International) per year. The handling fee for invoicing remains in effect at \$10.

The special two year rate is \$650 for North American subscriptions (\$585 agency price) and \$700 for International subscriptions (\$630 agency price) for 24 issues, a saving of \$140.
